

JAEA Organogram

October 1, 2017

Management Sector

Monju Regeneration Headquarters
/T. Kodama

Office of Strategy
and International Affairs /K. Hioki

Safety and Nuclear Security Administration
Department /Y. Fujita

R&D Program Management Department
/H. Oigawa

Radioactive Waste Management Department
/S. Takenaka

Legal and Audit Department /A. Isobe

General Affairs Department /A. Kuboyama

Personnel Department /H. Fujie

Financial Affairs Department /N. Nakagawa

Contract Department /S. Nemoto

Public Relations Department /T. Takahashi

Common Mission Sector

Intellectual Resources Management and R&D
Collaboration Department /A. Miyakawa

Construction Department /S. Hayashi

Center for Computational Science & e-System
/H. Takemiya

Nuclear Human Resource Development Center
/S. Sakurai

Integrated Support Center for Nuclear Non-
proliferation and Nuclear Security /Y. Naoi

Tsuruga Head Office /Y. Taguchi

Tokai Administration Center /Y. Tomobe

Oarai Research Development Center
/M. Shiotsuki

Research and Development Sector

Sector of Fukushima Research and Development

/K. Noda, H. Funasaka

[Fukushima, Tokai and Oarai]

Planning and Co-ordination Office /Y. Arii

Fukushima Research Institute /S. Nakayama

Fukushima Administrative Department
/S. Miyakawa

Collaborative Laboratories for Advanced
Decommissioning Science /T. Ogawa

Naraha Remote Technology Development Center
/M. Ishihara

Okuma Analysis and Research Center /T. Koyama

Fukushima Environmental Safety Center
/K. Miyahara

Sector Nuclear Science Research

/Y. Miura, K. Minato, S. Okajima

[Tokai and Oarai]

Planning and Co-ordination Office /H. Mineo

Nuclear Science Research Institute /K. Minato

Advanced Science Research Center /S. Maekawa

Nuclear Science and Engineering Center
/S. Okajima

Nuclear Engineering Research Collaboration
Center /S. Okajima

Materials Science Research Center /M. Takeda

Oarai Research Development Center
- Neutron Irradiation and Testing Reactor Center
/M. Kaminaga

- Department of HTTR /K. Sawa

- Waste Management Department /T. Yoshioka

HTGR Hydrogen and Heat Application Research
Center /K. Kunitomi

J-PARC (Japan Proton Accelerator Research Complex)
Center /N. Saito

Fuel Removal Project Team /K. Hioki

Sector of Nuclear Safety Research and Emergency Preparedness

/Y. Miura

[Tokai]

Planning and Co-ordination Office /K. Onizawa

Nuclear Safety Research Center /T. Nakamura

Nuclear Emergency Assistance
and Training Center /T. Tanaka

Sector of Fast Reactor Research and Development

/K. Aoto, Y. Ieda

[Tsuruga, Tokai and Oarai]

Planning and Co-ordination Office /H. Nakamura

Prototype Fast Breeder Reactor Monju /T. Abe

Monju Project Management and Engineering Center
/Y. Ieda

Advanced Fast Reactor Cycle System
Research and Development Center /H. Kamide

Oarai Research Development Center
- Fast Reactor Technology Development
Department /Y. Tobita
- Experimental Fast Reactor Department /Y. Maeda
- Fukushima Fuels and Materials Department
/Y. Kihara

Sector of Decommissioning and Radioactive Waste Management

/T. Yamamoto, M. Hasegawa

[Tokai, Tsuruga, Ningyo-toge, Tono, Horonobe, Aomori and Oarai]

Planning and Co-ordination Office /K. Takahashi

Spent Fuel Project Management Team /S. Kiyota

Radioactive Wastes Disposal Project Center
/T. Kitajima

Geological Disposal Research
and Development Department /K. Shimizu

Nuclear Fuel Cycle Engineering Laboratories
/N. Miura

Fugen Decommissioning Engineering Center
/Y. Morishita

Ningyo-toge Environmental Engineering Center
/S. Aose

Tono Geoscience Center /K. Sugihara

Horonobe Underground Research Center
/Y. Yamaguchi

Aomori Research and Development Center
/N. Yabuuchi
