

Japan's stance to the Joint Comprehensive Plan of Action (JCPOA)

I Joint Statement by Foreign Ministers of the Islamic Republic of IRAN and JAPAN on Japan-Iran Cooperation

“Both sides concurred to cooperate in the field of nuclear safety and implementation of IAEA safeguards and transparency measures in order to support Iran in its steady implementation of the Joint Comprehensive Plan of Action (JCPOA) in close cooperation with the IAEA, within the implementation process of the final agreement (JCPOA) concerning the Iranian nuclear issue. ”

II Statement by Foreign Minister Taro Kono

“Japan, continues to support the JCPOA which contributes to the strengthening of the international non-proliferation regime and stability of the Middle East, and hopes for constructive actions by relevant parties. Japan will remain in close communication with relevant parties to maintain the JCPOA. ”
