Presentation Screening Details

(1) Screening Process

Screening will be conducted for application themes that passed the document screening.

Schedule

(i) Presentation by an applicant using materials (within 5 minutes)

(ii) Question and Answer Session with judges (approximately 15 minutes)

(2) Presentation Materials

Presentation materials should be prepared in the following format and consist of four pages.

Page numbers should be included on each slide.

Presentation Materials Contents

page 1: Profile Information (Name, University) and Academic Background
page 2: Summary of Studies and Research Activities
page 3: Your Strengths and Selling Points, including skills and strengths acquired through research conducted at university or graduate school
page 4: Research you would like to pursue at JAEA (your preferred theme), your motivation, and how you plan to apply your previous research experience in the future

(3) Submission of Presentation Materials

Presentation materials must be submitted prior to the screening date. Details regarding submission will be provided separately to applicants who pass the document screening. Materials must be submitted in PDF format.

The file name should be:

"*Name* (*University Name*) + *Application Theme No.* + *Application Theme Title*"

(4) Points to Note

Applicants are responsible for the contents of their presentation materials. Please pay particular attention to the following when preparing your materials:

Compliance with copyright-related laws and regulations when using illustrations, photographs, or other materials.
Compliance with confidentiality obligations when conducting joint research with companies or other organizations.

If presentation materials are not submitted in advance or contain deficiencies, the screening may not be conducted.
